

## GAMBARO

<b>PROJECT TYPE</b>	<b>70 ROOM BOUTIQUE HOTEL + FUNCTION CENTRE + RESTAURANT</b>
<b>SITE + LOCATION</b>	CAXTON STREET BRISBANE
<b>PROJECT STATUS</b>	APPROVED
<b>SERVICES</b>	ARCHITECTURE + TOWN PLANNING

HPC Urban architects are the lead consultants for the iconic and award-winning Gambaro restaurants' renovation and mixed use development extension - an infill project involving concept design through to construction of a 70 room hotel across 5 storeys, new indoor function spaces and outdoor terrace areas and refurbishment of fine dining restaurant.

HPC Urban planners obtained approval for the impact assessable development involving staged construction and renovation totaling over 5,300sqm of GFA on the 1,400sqm site.
